BAPTIST SUNDAY-SCHOOL ASSOCIATION .-The regular meeting of the Baptist Sunday-School Association will take place to-morrow afternoon at 41 o'clock at the Fulton Baptist church.

EXCURSIONS AND PIC-NICS .- The excursion and pic-nic season is nearly at an end, but our columns still contain announcements for "trips" to the country and "limited excursions," which, if successfully managed. cannot fail to be highly enjoyable. Barring a few warm days during the very early part of the summer, the season in this vicinity has been delightfully pleasant, and visits to the mountains have been somewhat at a discount. The excursions to points in the vicinity of Richmond have proved delightful, owing no doubt to the fact of the weather being so cool that the attendant fatigue and other discomforts were overcome by the pleasant and healthful temperature. But a brief respite from business and the monotonous round of city life is always agreeable and

often very necessary. Some of our citizens who have been to the Springs this summer, and who have returned, testify to the fact that to have refortable. Many of the luxuries of the season they have missed, and the weather has been so cool at many places that summer E. Farrow, Spencer Green, W. A. Clark, and Messrs been so cool at many places that summer clothes were uncomfortable. But of all the seasons of the year to visit the mountains, that which is just now approaching-the fallis the most glorious. Many persons make the great mistake of coming home just as the autumn sets in, but the summer season having already been so fall-like, the Springsgoers will doubtless soon turn their faces homeward. We continue our notice of the

excursions and pic-nics. The Grass-Widowers will have an opportunity again this afternoon of visiting their wives who may be sejourning in the mountains by taking the train which was put upon the Chesapeake and Ohio railroad by General Superintendent Perry for their special accommodation. The cars leave the depôt at 4:45 P. M., and returning reach Richmond on Monday morning at 9:30 o'clock, in ample time for business. This train, cognomened by the Dispatch about two years ago, has become very popular, and every Saturday bears away to the mountains and intermediate points along the line of the road many persons who desire to spend a day in the country. A trip of this kind is

delightful. Captain McCann, leader of the First Registyles, "Big Thing of the Season." It is the second annual benefit excursion tendered to him by a number of his civic and military friends, and will be down the river, on Wednesday next (the 12th instant). The trip will be under the personal supervision of Mr. C. J. Fox, Sr. Two large barges have been engaged for the occasion, besides two bands of music for dancing, one to be on each barge. The excursionists will pass through Dutch Gap both going and returning. At Curl's Neck the pleasure-seekers will stop three hours and visit Major Allan's beautiful grounds, and there rest under the trees, dance, and amuse themselves as they may see fit. Returning, they will arrive in Richmond at 8 P. M. The party will leave the Old Dominion Steamship Company's wharf at 8 A. M.; and Captain McCann will award a handsome silver medal to the largest society, military or civic, accompanying the excursionists. There will be accommodations for

1,200 persons, and no liquor will be sold on Mr. Gilkeson gives another of his popular excursions over the Fredericksburg road to Washington this evening, the cars leaving on Sunday, thus giving fourteen hours' time in that city, and reaching Richmond at early bed-time. The fare is quite reasonable, and the trip offers unusual inducements to those

who wish to visit the national capital. On Monday the Shiloh (colored) Baptist church, of which Rev. Charles Bowe is pastor, will give a pic-nic at Bishop's Grove for the benefit of the Sunday school connected with the church. The colored Cadets of Temperance will join the school on the occa-

sion of the pic-nic. Schuetzen Park and Riverside Park are still open, and are patronized daily. Pleasure-riders are enjoying the summer evening drives over the Richmond and Hen-

rico turnpike, which has been recently Those who have remained at home during

C., was returned to the penitentiary yesterday. He was placed in solitary confinement, and will have one year added to his term of confinement.

Rev. J. W. Patterson offered the follow ing, which was adopted: Whereas there is a great evil existing among our churches, and especially in the country, as to the true principles and doctrines of the Baptist denomination; and that a great many of our ministers advocate such

principles as mothers or deaconesses in the Church; and that candidates for Baptism are compelled to tell some unscriptural experience; that unless they bring such doctrines they are refused admittance in the Church: therefore, be it-Resolved, That this Association recommend all the delegates present to denounce all such unscriptural doctrines, and that the pastors and preachers of the several churches be requested to preach one sermon annually
